Hello Captain and Lamont,

I had sent you all an email the other day regarding a crazy woman that came into the office the other day claiming I have harassed her and she remembers me from a long time ago calling her the N-Word etc.

I had 4 phone messages today from that same woman. She says her name is Anjeanette Mosby and says that she doesn't know what I am doing but that she is tired of being raped and beaten and that I need to stop. In another call she says that she has George Clooney sitting in front of her and staring at her. She asked me to call her at 310 795 4632. I will not call her just so you know but I am now getting concerned about my safety at the Walk of Fame ceremonies. Any suggestions?
